The deed was recorded at request of San Mateo County Title Co.

None Injured In Weekend Traffic

Capt. E. F. Cassell, California Highway Patrol officer in Redwood City, has announced that the Labor Day weekend in San Mateo County saw the least motor traffic in almost a decade and that not one person was injured during the two-day holiday.

Last year the county counted itself particularly lucky to have but 12 injured persons and no deaths as a result of the added traffic.

Despite the lack of accidents, however, the patrol over the weekend made 37 arrests, 10 of them for drunken driving, and the remainder for failure to stop at signs and other minor offenses. In all, 122 cars were stopped by patrolmen issuing warnings.

R.C. Chief Issues Call For Auxiliary Fire Crews

A call for additional auxiliary firemen and plans to explain provisions of the army-ordered dimout occupied Redwood City civilian defense workers last week.

Fire Chief Mark E. Ryan posted 300 letters to volunteers on city civilian defense inactive rolls in an effort to solicit the auxiliaries.

Although the auxiliary fire department in Redwood City compares favorably with those in neighboring cities, the chief said he still wanted to enlarge the organization to make the city as invulnerable to enemy air attack as possible.

N. H. Graves, Pacific Gas and Electric Co. illumination specialist, addressed auxiliary police and air raid wardens Wednesday in McKinley School concerning dimout provisions.

Wardens have distributed copies of an army proclamation ordering the dimout but civilian defense workers said some parts still are indefinite and need clarification by an expert.

Graves plans to demonstrate the type of electric lamp which may be used in gardens where most irregularities in lighting occur.

Civilian defense officials said business establishments had so far complied satisfactorily with the proclamation but that householders in some instances did not appear to understand what was expected of them.

Mrs. Ergeen Leaves Estate Worth $67,992

Mrs. Pearl D. Ergeen, Emerald Lake resident who committed suicide in a Redwood City service station rest room Sept. 22, left an estate worth $67,992, an appraisal filed in San Mateo County Superior Court disclosed.

Bulk of the estate was 100 shares of Prior Estate Co., appraised at $40,000.

Her will, dated Sept. 23, 1937, left $3000 to a nephew, Edward F. Delger, 16, San Francisco, and the rest to her brother, Fred E. Delger of Redwood City.

School Sale Falls Through

Sale of the Miramar School real estate and building at public auction failed when the highest bid offered was $550. Trustees of the Coastside Union Elementary School District rejected all bids and voted to call for new ones.

The Miramar School, closed at the end of last school term when arrangements were completed by the unified board to transport Miramar students to Half Moon Bay, was erected in 1909. The two-story building contains four rooms, only two of which have been used, according to Alvin S. Hatch, school district trustee.

The real estate comprises three lots. Bidders were Paul Guisti, $550; J. Santos, $550, and S. Belli, $350.

Two Auto Fires-- Two Bum Lighters

Two automobile fires, five blocks and seven minutes apart, wrote a novel chapter in the history of Redwood City fire alarms Monday afternoon. According to fire department reports, the department was called first to the home of R. M. Fincher, 35 Jeter St., to extinguish an automobile fire. The firemen found a short-circuited cigaret lighter which damaged the car's wiring system.

Seven minutes later the department was called to the home of J. E. Johnson, 1456 Hopkins Ave. to extinguish an automobile fire. The cause—a short circuited cigaret lighter.

Salute to the MEN and WOMEN of CIVILIAN DEFENSE

should WAR come home... *they're Ready!*

This war will be won by the spirit of the American people. This spirit is in the young men of our armed forces. It is the spirit of clean-living, clear-eyed, hard-hitting American youth. It is also in the spirit of unselfish sacrifice of personal time and energy by all who must remain on the Home Front. In tribute to the latter, we salute the men and women of Civilian Defense.

Who are these men and women? They are your friends and neighbors whose days are active and whose nights are given to the half-hundred activities of Civilian Defense.

In this work it is natural that many employees of this company take active part. As workers in public utility service they have special adaptabilities valuable to vital branches of Civilian Defense.

Likewise, there are many men who through long years of experience have developed special skills essential in keeping the output of gas and electricity flowing at top speed so that war plant production may run ahead of schedule.

Already more than 1,200 of the young men of this company are in the armed forces. Each month this total grows.

In Civilian Defense are more than 4000 company employees—nearly forty per cent of the total number.

In the mountain regions, close by the great power plants, hundreds of these men and women are Airplane Observers.

Men and equipment of this company are enlisted in Demolition and Clearance Crews, Bomb Squads, Auxiliary Firemen, Feeding and Housing, Rescue Squads, Road Repair Crews, Air Raid Wardens and many other activities.

We are proud to be part of this army at home. It is the people's army — sober, serious, trained and ready for Public Service.

Augustus Corrects 'Official' Figures

Earl Warren not only won the most votes on the Republican ticket in San Mateo County but on the Democratic ticket as well, it was revealed this week by County Clerk William H. Augustus, who corrected "official" figures released Tuesday.

votes, instead of 7347, as was reported yesterday. This difference of 787 puts Warren ahead of Olson on the Democratic ticket by 263 votes. A sub-total from early-reported precincts was missed in carrying forth the totals, Augustus said, accounting for the error.

Civil Service Group Announces Open Exams

In view of the scarcity of qualified persons to fill certain positions in government hospitals, the Civil Service Commission has issued, in revised form, three of its continuously open examinations.

Examination changes affect physiotherapy aide and junior physiotherapy aide; student physiotherapy aide and apprentice physiotherapy aide, and junior graduate nurse. All applications must be sent to the Washington office of the Civil Service Commission.

Full information as to requirements, and application forms, may be obtained from the local post office.

County Central Committees Hold Organization Meetings

Both Republican and Democratic party machinery was put in operation this week as members of central committees from the two parties held meetings in the courthouse to elect officers.

County Clerk William H. Augustus presented committee members at both meetings with their certificates of election.

Republicans re-elected all officers with the exception of the office of secretary which James B. McKeon of San Carlos will fill. Other officers are E. H. Cosgriff, Burlingame, president; Glenn R. Baker, San Bruno, vice chairman, and A. B. Cargill, Burlingame Hills, treasurer.

Capt. L. G. McAloney, San Mateo, was appointed a committee member to fill the post to which Frank B. Ingersoll, San Mateo, was elected prior to his enlistment in the navy.

The Democratic committee elected Pat Frayne, Redwood City, chairman; Peter J. Kelly, last year's chairman, vice chairman, and Jerome MacDonald, secretary.

Appointed to attend the state central committee meeting were Elinor Falvey and P. J. Kearns.

Telephone Lines Are the Busiest In History

You Can Help Us to Help You

We want you to know that we are meeting the war emergency with everything we have, but in these critical times delays are bound to occur.

In speeding Victory, the telephone lines are busier—far busier than ever before. We cannot plan and build new lines and new switchboards, as we normally would, because copper and other strategic materials have gone to war in planes, tanks, and guns.

Unnecessary and needlessly long telephone calls should be out for "the duration." War calls *must* be given the green light.

Your considerate thoughtfulness in making only the most urgent calls is inspiring to all of us who are earnestly endeavoring to uphold the finest traditions of telephone service. May we also ask you to help us further to help you by being brief on all calls, by calling by number when making long distance calls, and by answering calls promptly.

Thank you.

M.P. Council Considers Scout House Construction

The need in Menlo Park for a house for Girl and Boy Scouts was asserted Tuesday night before Menlo Park City Council by a group of women interested in scout work headed by Mrs. Laura Patterson, deputy commissioner of the Sequoia district Girl Scouts.

They asked for the lease of a piece of land, preferably in Recreation Park, so that they might go ahead with plans for building a scout house.

Recreation Comsr. Paul Bryant said that former councils had not acted on similar requests for a scout house because the building of one might interfere, later on, with the general plan for recreational development at the park.

QUESTIONS ACTION

"If we lease some land there and let them build a house on it, we might find out later that this land would have been better used for something else," he said.

J. J. Neelon, member of the recreation commission, and for 30 years active in taking care of underprivileged boys in San Francisco, stated that "we should do something for the young folks" and said that he was in favor of building a scout house.

"That kind of establishment is a necessary part of a community center in any case," he said.

Bryant declared that the recreation plan for the park had considered that a wing of another building might be used as a scout house.

WANT SEPARATE BUILDING

It was objected that it was not "according to scout ideals," to use a wing of another building for a scout house. The need of a front and back yard where outdoor activities could be carried on,was cited.

Mrs. Patterson and the recreation committee will meet to consider the matter, and will report at the next meeting of the council, Sept. 22.

Councilmen Charles Burgess and Edward McGurrin, investigating the need for changes in the Southeast San Mateo County civilian defense organization, reported that they considered the area too large for adequate coverage by one defense center.

They recommended that it be divided into two or three parts. Burgess declared that further action on this matter would be taken when representatives of Atherton, San Mateo County civilian defense, and the Menlo Park fire district, met to consider it.

MASTER PLAN

The master plan, as altered by the planning commission, was adopted by the council.

A plan was devised to divide the expense of maintaining a "craft room" (formerly under WPA) between the city and the school district, the former paying rent, lights and incidental expenses. The matter was referred to the school district.

Scouts Start Rehearsals For Reunion Rally Play

Rehearsals for the play, "A Day in Old Camp Pescadero," went into production this week as plans for the annual council fall camp reunion rally celebration went forward. Director Allen McNitt and Associate Directors Dean Borba and John Wrentmore conducted tryouts for parts for some 35 scouts and seniors for the play last Wednesday evening at the San Carlos Elementary School. Scouts from San Carlos, Redwood City, Burlingame, and San Mateo already have been selected and construction of stage sets started.

SOUTHERN COMMITTEE

To draft a move that will put the southern division over the top in its 1942 objectives for new troops and cub packs, members of the committee on troop organization will meet this evening at 8 o'clock at the home of Chairman Louis C. Christensen, Redwood City. Requests for assistance in organizing a new cub pack and a new scout troop in San Carlos are already on file with the committee for immediate action.

SEA SCOUTS REGATTA

Entering almost every event available for training and competition, San Mateo County Sea Scouts made up one fifth of the attendance from the entire Northern California area at the 1942 Regional Regatta held last weekend at Martinez Yacht Harbor. All ships reported excellent sailing on the return cruise, some vessels putting in at San Francisco Monday night due to Coast Guard regulations which prevent sailings after dark.

Special mention of regatta work done by skippers and Commissioner Gustave Barth of San Mateo was made by Regional Vice Commodore T. W. Spiller. Barth took his sloop "Valkerie" to Martinez where it served as a host ship for high ranking officers of the event. Skippers Hu Tipton of San Bruno, Jack Edwards of San Mateo and Kenneth Eugene of Redwood City, together with Officers Robert Mayers, Bill Fowler, Warner Britschgi, worked throughout the event. Their ships all passed minimum inspection standards set up by regatta officials.

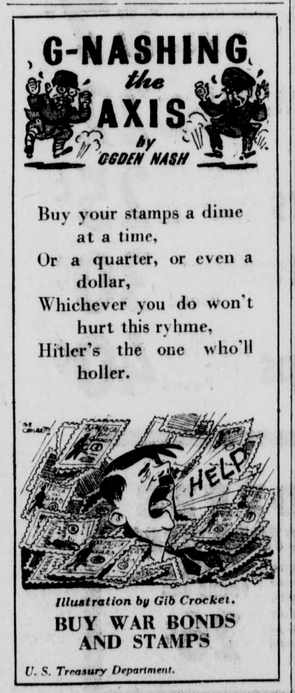
TROOP ACTIVITIES

Belmont Troop 161 will start a recruiting drive with a visit to the Belmont School by Scouts Don Roach, James Conway, Robert Oelighter. Scouters Frank Roach and Severance Hauck will lead the troop in this campaign.

Russian war relief handbills advertising a special benefit program Sept. 12 at Sequoia High School were distributed by Scouts August Schwartz, Joseph Schwartz, and Dave Fredrickson of Redwood City Troop 160 this week to all stores in Redwood City.

Pack 53 parents of San Carlos will hold a special leader's planning meeting Friday evening.

Atherton Troop 163 is calling its opening fall meeting next Monday evening at 7:30 at the Las Lomitas School, and has invited Field Executive Bradford Datson to inspect the troop that evening and outline details of war services to be preformed by scouts during September and October.



S.C. Man Held For Investigation

Victim of both army good will and army vigilance, Edward Passus, 28, San Carlos warehouseman, was locked in the county jail Tuesday for questioning by FBI. Against him was a charge of driving while under the influence.

As Capt. E. F. Cassell, California Highway Patrol, told the story, Passus was driving along the Coastside dimout area near El Granada when he ran his car into a ditch.

A passing army jeep obligingly pulled Passus' car back to the pavement.

To the soldiers' amazement Passus, whose car was facing the ocean, began blinking its lights. They notified the highway patrol, which booked Passus on the drunk driving charge, and asked that he be questioned by the FBI to find out just why he flashed the car headlights.

Verner Peterson Serves As Radioman in Canada

Sgt. Verner L. Peterson, 25, brother of Mrs. Ben Keyser of 1424 Middlefield Rd., Redwood City, is serving as a radio operator on an army air route between Winnipeg and Montreal, Canada, according to a letter received by his sister this week.

Sergeant Peterson, who was graduated from Sequoia High School in 1935, enlisted in the army at Moffett Field two years ago and later took a course in radio operation to qualify for his present post.

Commenting on the life of a soldier in Canada, he reported in his letter that the Canadian officers treat United States men with the utmost courtesy and respect. He said that girls outnumber men about five to one and that dances for servicemen are a treat to which every soldier looks forward with keen anticipation.

Rural Electricity Users To Be Billed Bi-Monthly

Users of gas and electricity in the rural areas served by Pacific Gas & Electric Co. will be billed for their service every two months after Oct. 1 instead of the customary monthly interval.

The change is made in order to conserve automobile equipment and tires and to save manpower. Bi-monthly billing will reduce by one-half the mileage covered by meter readers and the time and labor spent in preparing customer bills.

All customers to be affected will be notified of the change.

Truck Tire Lost In Bayshore Fire

Precious rubber was lost early Tuesday morning when a tire on an unidentified truck caught fire on Bayshore Hwy. south of Chestnut St.

Redwood City firemen who answered the call said the tire was probably ignited when it became soft and rubbed against the other tire on the dual wheel, causing friction.

Firemen said at least one tire was ruined in the minor blaze.

At 10:05 p.m. yesterday they extinguished a bon fire started without permission near the intersection of Cypress St. and Woodside Rd.

Clip this column and put it in your cook book under "hunches for lunches"

It takes very little longer to prepare an interesting, well-balanced noon meal than it does to eat whatever the refrigerator happens to offer. Besides, with the "keep fit" program on throughout America, you owe it to Uncle Sam to make lunch as much a "Victory" meal as breakfast or dinner. Here are three menu ideas that were planned and tested by the Safeway Homemakers' Bureau.

LUNCHING ALONE

Grilled Open-face Cheese Sandwich on
Whole Wheat Stripped with Bacon
Sliced Tomatoes with Favorite Dressing
Baked Apple with Cream
Oatmeal Cookies
Milk or Tea

NOTE: It's well to be prepared for days when you chance to eat home alone. Cheese, bacon, and oatmeal cookies can easily be kept on hand; tomatoes can be scalded and stored in the refrigerator ready to peel; and extra baked apples make good solitary desserts.

SCHOOL CHILDREN'S LUNCH

Vegetable-beef Soup in Large Soup Plates
Whole Wheat Crackers
Peach, Pear, and Cottage Cheese Salad
Whole Wheat or Enriched White Bread
Butter
Jam-filled Cup Cakes
Milk

NOTE: With an hour or less for lunch, school children naturally want food to be ready the minute they get home and don't want to be bothered with complicated dishes. Soup, salad, and dessert meals like the one above are nutritious, quick to prepare, and easy to eat.

HE-MAN LUNCH

Sliced Beef or Lamb Sandwich
With Piping-hot Gravy
(Use leftover roast; reheated gravy)
Combination Vegetable Salad
French Dressing
Cup Custard with Crushed Fruit Sauce
Molasses Cookies
Coffee or Milk

NOTE: Husbands who come home at noon want food that will stay with them till dinner. Plan hearty entrees like hot meat sandwiches, casseroles, and scalloped dishes, and be sure there's one of his favorite desserts.

BUT SATURDAY SPECIALS ARE A THING OF THE PAST, DEAR. HAVEN'T YOU SEEN THE LATEST SAFEWAY ADS?
